Company Profile

50 years of plumbing and heating experience in NYC—DeWaters Plumbing & Heating was founded in 1955. During that time the Company has built one of the industry's strongest reputations for integrity, reliability and high quality work. We have completed thousands of complex repiping, installation and alteration projects in the five boroughs and throughout the tri-state area.

Long Term Relationships Through Customer Focus—50 years of success is driven by building substantial and diversified long term relationships and by being customer focused. Many of our contracts have resulted in repeat business and referrals because we listen carefully and understand our client's complex needs.

Long Serving, Highly Trained Work Force—DeWaters senior personnel have more than 250 years cumulative plumbing and heating experience in New York City and its environs. Our firm currently carries in excess of 10 plumbing and specialty licenses and many of our employees exceed 20 years in tenure. Continuous training and development programs and focused recruiting means we have the best, most seasoned workforce in the industry.

Strong Bonding and Insurance Capacity—Because of our exemplary bonding and insurance history, we have the ability to meet all strict project bonding and insurance requirements. In 50 years we have never had a major insurance claim or bonding issue.

Focus on Quality and Attention to Detail—We insist that all employees focus consistently on high quality work thereby minimizing call backs.

Professionally Managed—We also insist on best practices, the latest technology and total professionalism in all areas of the Company. The result is that you can expect a highly trained team to complete your complex project on time, on budget and with a minimal amount of administration.

Dedicated Vendor Relationships—Over the last 50 years we have built a substantial and deep network of suppliers assuring that DeWaters gets needed materials when they're needed at the most aggressive prices.

Experience. Quality. Professionalism.
