Kitchen & Bath

Experienced Design Professionals, Superior Installations.

Purchasing a new kitchen or bathroom can be a complex undertaking.

DeWaters Kitchen and Baths makes it easy. Our experienced designers and installers assist you with layout, material selection and assure that all of the details, from plumbing and cabinet installation, to countertops, tiles, electrical, trim work and appliance installation are all taken care of.

In Business for More than 50 years. DeWaters was founded in 1955. Since that time the Company has built a strong reputation for integrity, reliability and high quality work

Focus on Quality and Attention to Detail. We insist that all our supervisors and installation teams focus consistently on superior work.

Many Long Term Relationships. During our 50 years of operations we have built a substantial and diversified long time client base by being customer focused. Many of our contracts result in repeat business and referrals because we listen to and understand our client's complex needs.

Professionally Managed. Each kitchen and bath project is managed by a senior manager who is always available to assure that each installation is completed as professionally as possible, on time and on budget

Dedicated Vendor Relationships. Over the last 50 years we have built a substantial and deep network of suppliers assuring that you get the best quality materials at the best prices.
